

September 2021 Return to School

Dear Parent,

We are very much looking forward to welcoming everyone back to school on **Thursday 2nd September 2021**.

We are still very much in the midst of the pandemic and we return to school under different national guidance than we finished in July. We ask that you continue to work with us in the interests of keeping all our children, staff and families as safe as we can.

We have been following government and Cheshire East LA guidance throughout the pandemic and this continues. We have updated our risk assessment in light of the latest guidance and continue to put measures in place to reduce the risks from COVID-19. Cheshire East and the schools have agreed to be more cautious over this first half term whilst the situation becomes clear and we all get back used to being in school. The risk assessment and measures in place are constantly reviewed as we receive further guidance and we develop our practices in school. We are hoping as the year goes by we return to much more what 'normal' school would look like! There are some changes now but school will continue to ensure the system of protective measures and control are in place. These include:

- Good hygiene. This includes the increased hand washing and sanitising routines and 'catch it, kill it, bin it'
- Good ventilation.
- One way systems around the building and down the corridors
- Staggered pick up times
- Grouping and mixing will be limited in this first instance, e.g. working in class group. Fixed seating plans
- Pupils who are close contacts will not be required to self-isolate and can still attend school.
- a requirement that people who are ill stay at home
- robust hand and respiratory hygiene
- enhanced cleaning arrangements
- active engagement with NHS Test and Trace

When will school be open and for who?

In September, **ALL year groups will return from Thursday 2nd September**. Teachers and staff can move between different classes / groups so your child will see other members of staff across their week. You may find your child is working in small groups with children from other classes, this is allowed under the guidance. Our staffing structure for September was shared on the Summer 1 newsletter as follows

	2021-2022	Teacher	Teaching Assistant
Early Years	Preschool	Tara Gregory (<i>Supervisor</i>) Libby Isaac (<i>Deputy Supervisor</i>) Ashleigh Barrow (<i>Key Person</i>)	
	Reception	Mrs Ward (<i>Early Years Lead</i>)	Miss Taylor
Lower School	Year 1	Miss Haynes	Miss Holland; Mrs Cross+1:1 TA
	Year 2	Mr Dale	Mrs Van-Russelt
	Year 3	Miss McCurrie (<i>Deputy Head / DSL / Lower School Lead</i>)	Mrs Parker
Upper School	Year 4	Miss Welch (<i>SENDco</i>)	Mrs Samms
	Year 5	Miss Pennance	Mrs Whittingham
	Year 6	Mrs Burns (<i>Upper School Lead</i>)	
	PPA and Choir	Mrs Swan	
	PPA and Sport	Mrs Jenkins	
	Management cover	Mrs Pointon (Tuesday/Wednesday) – she will work in all classes across school to allow teachers to be able to fulfil their management roles	

Please note your child will have other people teaching them on a regular basis other than their class teacher. All staff have management responsibilities and are entitled to weekly PPA (equivalent to half a day).

What will my child's classroom look like?

We have returned the classrooms to normal – no longer all forward facing desks. We will be maintaining a fixed seating plan across each week to allow for close contact tracing if needed.

The children will continue to have their own resource pack to limit shared resources

Will there be larger group gatherings?

We will begin to increase the use of larger groups. For example, a couple of classes spaced out in the hall for worship whilst the others participate in the classroom. We hope to begin to allow small scale parent events back in school e.g. class worship, which would only be the class and then 1 visitor per child allowed. This would need to be pre-booked and take a Lateral Flow Test before attending.

What will the children be learning?

- ❖ School has planned for a broad and balanced curriculum
- ❖ All subjects will be taught
- ❖ We have audited our curriculum over the pandemic to identify gaps or areas which need more attention
- ❖ We will work on gaps and plan for catch up, particularly for identified individuals
- ❖ PE will continue as normal
- ❖ Forest Schools will return

Will my child be taught PE?

- ❖ All PE will take place outside as much as possible. Your child needs to be equipped for this as rain will not stop outdoor PE.
- ❖ You will be notified of your child's PE day and we ask that your child comes to school dressed for PE all day (we will not be changing in school for PE).
- ❖ If your child is attending a Sports club after school on a different day, then they will need to wear uniform during the day and change.

Will Sports competitions return?

- ❖ The Crewe and Nantwich Sports Partnership are planning a return to events and we will be participating in some events across the term. Details will follow.

What will happen about equipment that is usually shared?

- ❖ Your child will have their own stationery pack which will be kept at their desk
- ❖ School have developed their routines for cleaning and sterilising equipment since reopening this term. The staff will ensure shared equipment is cleaned or quarantined appropriately

Will my child be able to bring a reading book home in September?

- ❖ Yes, we will be able to restart sending reading books home again in September. When they return to school they will be quarantined appropriately before going home with another child. Books will be sent home at the end of the first full week of school.

Will time be given to Pupil wellbeing and support?

- ❖ We are conscious that the pandemic experience has been a stressful time for families. A wide range of emotions will be attached to this period.
- ❖ School will consider the provision of pastoral activities to all pupils designed to:
 - support the rebuilding of friendships and social engagement
 - address and equip pupils to respond to issues linked to coronavirus (COVID-19)
 - support pupils with approaches to improving their physical and mental wellbeing
- ❖ School will provide focused pastoral support where issues are identified that individual pupils may need help with, drawing on external support where necessary and possible.
- ❖ Mindfulness activities will continue to be a part of our week.
- ❖ PHSE will be given a larger focus in our teaching week
- ❖ Our website will continue to signpost families to support that is available from local organisations

What about behaviour of pupils?

- ❖ We always expect the very highest of behaviour standards at Wybunbury Delves, and this remains the case.
- ❖ Headteacher's Awards will be given out, stickers and house points too.

- ❖ Our children will still be expected to follow our school code of conduct.
- ❖ Yellow card(s) and red cards will be used as per the behaviour policy.
- ❖ However, in light of the extra risk and potential dangers related to spread of COVID-19, any child who demonstrates serious behaviour concerns that puts any other child or adult at serious risk, will be sent home immediately. Examples of such behaviours, but not limited to, are:
 - o Spitting
 - o Biting
 - o Scratching
 - o Physically hurting others.
- ❖ Our behaviour policy can be found on our website

What are the arrangements for breaktimes?

- ❖ Children must bring their own healthy snacks into school. We discourage crisps, chocolate and unhealthy snacks.
- ❖ Infant Fruit scheme will resume bringing fruit for Reception, Year 1 and Year 2
- ❖ The children will have staggered break times, which means that they will be allocated times for when they are to go outside to get some fresh air.

What are the arrangements for lunchtime?

- ❖ Please see Cheshire East Catering’s flyer attached for options.
- ❖ The children will make their lunch selection at school in the morning at registration.
- ❖ Children who are in Reception, Year 1 or Year 2 are eligible for a free school dinner as part of the universal free school meal offer for Reception and Key Stage 1 children if requested.
- ❖ KS2 (Y3-Y6) children will be able to purchase a school dinner at the normal price of £2.50 a day, it will be added to your ParentPay account
- ❖ Children in KS2, who are eligible for a free school dinner as part of the income related free school meal offer, will be provided with a school lunch if requested.
- ❖ If you want to bring your own healthy packed lunch then please bring it in a disposable bag or a lunch box / bag. However, please ensure that you clean and sterilize your child’s lunch bag every day and before leaving your home in the morning.
- ❖ Just like break time arrangements, children will be allocated times and an area for when they can go outside at lunchtime.
- ❖ The children will eat their lunch in their classroom rather than the hall.

- ❖ Children must be supervised at ALL times on the carpark by the adult they travel with.

- ❖ Parents are asked to leave as soon as they have seen their child is safely with their adult. **Please do not stay on our grounds and car park to chat with other families. Please do not allow your children on the play equipment or benches.**

How will you reduce the risk of infection for my child in school?

- ❖ We have completed a comprehensive risk assessment and will continually review it.

- ❖ It is not recommended to wear PPE – some staff may choose to wear face masks, gloves, etc,
- ❖ Staff will wear full PPE if they are supervising children that are ill/showing symptoms in school (whilst we wait for parents to collect); for administering First Aid or Intimate care staff will also wear PPE
- ❖ Movement in classrooms and around the school will be restricted in order to reduce the risk of contact.
- ❖ Items must not come to and from school.
- ❖ Very frequent hand washing and sanitising of surfaces will take place, (children will be encouraged to help keep their own area clean), the 'catch it, bin it, kill it' mantra will be stressed (bins will be emptied throughout the day) and each classroom will be sanitised by a cleaning team at the end of every day.
- ❖ Doors will be propped-open, windows opened and rooms well ventilated.
- ❖ Air conditioning units will not be used.
- ❖ We will be including outdoor learning since being outdoors carries less risk of contact.
- ❖ Frequent hand washing will be encouraged. Children will have to wash their hands as they enter the building.

Additional classroom and school hygiene and safety?

- ✓ All rooms, which will be being used will be deep cleaned prior to school re-opening in September
- ✓ Furniture will be moved if not required and surfaces kept clear
- ✓ Staff in every room will be provided with cleaning products and materials to constantly clean all frequently touched surfaces.
- ✓ Every room will be deep cleaned by our school cleaner after every school day.
- ✓ There will be a strong focus across the whole school in terms of personal hygiene, which will include regular washing of hands, catch it – bin it – kill it.
- ✓ There will be clear guidance issued to staff to ensure that rooms are well ventilated.
- ✓ Every classroom will have access to hand sanitiser to encourage the washing of hands.
- ✓ It is not recommended for children to wear face coverings, but we will support parents if they wish for their child to wear a face covering as long as the child is able to put it on and remove it themselves. Staff will not be able to assist. Your child must use face coverings sensibly and for the correct purpose. You will also need to supply school with a safe sealed bag to store the face covering in when not in use e.g. a zipper bag. Face coverings must be plain in design or the disposable type. If your child wears a disposable mask to school, we have procedures for disposing of the face clothing safely.
- ✓ All toilets in school will be regularly inspected throughout the day and cleaned accordingly.
- ✓ Additional cleaning of the toilet and handwashing facilities will take place during the day time
- ✓ Your child will be given a place to sit at in the classroom. This will be consistent across the week and for every lesson; it may be changed for the start of a new week.
- ✓ Every child will be given their own workbooks. Teacher handling of books will be kept to a minimum

How can we reduce cross contamination between school and home?

- ❖ **Children are NOT to bring into school,**

 - ❖ A drinks bottle, that they will keep in the classroom and refill. The water fountains will be out of use due to being a high contact point but bottles can be refilled at the water troughs on the playground.
 - ❖ A named small bottle of hand sanitiser and a small bottle of moisturiser for their own personal use. These will be kept in school. Moisturiser is recommended due to the increased hand washing and use of hand sanitiser.
 - ❖ A named bottle of sun cream, must be able to apply themselves and be left in school, and a sun hat.
 - ❖ We would strongly encourage you to promote good personal hygiene with your child at home, encourage them to regularly wash their hands – especially when they return from school or being out.

Bags in school

We have limited space in our cloakrooms in school. The children do not need large bags to bring the small amount of things they need to school.

Children are not to bring 'extras' to school.

Reception and KS1 Children (Y1 and Y2) will need:

What if my child becomes ill?

- ❖ If a child becomes ill with any kind of illness, not just with signs and symptoms of COVID-19, then they will be moved to a designated sickness room in school and parents will be contacted.
- ❖ A member of staff (wearing full protective PPE equipment) will remain with that child until their parent arrives.
- ❖ School has a non-contact thermometer and we will take a child's temperature if they complain of feeling unwell.
- ❖ Please ensure your emergency contact details are up to date, we need a minimum of 2 emergency contacts.
- ❖ The parent must come and collect their child **IMMEDIATELY** once they have been contacted.
- ❖ You must take your child home immediately and seek advice and guidance from the medical profession with regards to your child's illness/symptoms.
- ❖ If you are phoned by school to say your child is unwell, you must make immediate arrangements to collect your child. An unwell child compromises the health and risks of ALL children and adults they have prolonged contact with.

What if the school or parent suspects that the child is showing signs and symptoms of COVID-19 (in accordance with the official guidance)?

- ❖ If the school has the concerns, we will make you aware of them immediately.

- ❖ If the parent has the concern, you must inform the school office immediately.
- ❖ If any concerns are raised by school or yourself, you must then arrange for your child to be tested for COVID-19.

What if my child or a member of our household tests positive for COVID-19?

- ❖ You MUST inform school immediately
- ❖ You MUST actively engage in the NHS test and trace programme.
- ❖ If your child tests positive, they will isolate at home as per Test and Trace requirements
- ❖ Test and Trace will help you identify close contacts. Depending on adult vaccination status or if they are a child under 18years 6months, Test and Trace will inform what close contacts need to do. School will only now be involved in tracing close contacts if asked to by test and trace.

What if someone in the school community tests positive?

- ❖ Cheshire East have provided schools with 'Warn and Inform' model letters to use. This will make you aware of a case and ask you continue to be vigilant but otherwise your child can continue to attend school as normal.
- ❖ It is important to note that we are not medical professionals. We will be following the guidance for signs and symptoms of COVID-19 as provided by the Government. We will seek support and guidance from our local Public Health

What if school cannot open?

- ❖ There may be times when school will have to close, either full or partial closure.
- ❖ This will be due to us being unable to safely maintain the school environment or we have been advised to by Public Health England.
- ❖ We will endeavour to give parents as much notice as possible. Details will be sent by text and followed up by email.

Please allow at 2 working days for a response. Anything urgent, please telephone the school office during their working hours and they will pass on a message that you need to get in touch with the teacher.

Thank you for all your support and help with keeping our community safe.

It is very important that every one of us all – every child, parent and staff considers our movements and interactions beyond school. Whilst the latest government guidance, allows life to take a much more 'normal' pathway. The virus has not gone away and as the unvaccinated part of society our children are the most vulnerable to catching it. We have got to learn to live with the virus now.

In school, we are continuing to work very hard to reduce the risks for all our school community, however we have no control over what our community members do once you leave our site. We trust that everyone takes the risks of this virus seriously and complies with Government guidance and restrictions to help reduce the risks for our community– you have all been brilliant so far, thank you!

As always we will do our best to minimise the risks, we cannot eliminate them completely.

They may still be times of full or partial school closure ahead if we cannot safely operate, we know this will impact on your family and ability to work greatly. Please trust that this will only happen if absolutely necessary.

We ask for your support in preparing your child for school in September.

In the meantime, stay safe and well. Enjoy the final days of the summer holidays!

We look forward to welcoming you all back on Thursday 2nd September, including our new starters in Reception and across school!

With my warmest regards,

Mrs Chesters and the Wybunbury Delves Team
