Latest news and bulletin updates

## Scoop of the day

The latest updates

October saw some amazing events. We kicked off by holding a non uniform day for the children. It looks like they all had lots of fun filling their jam jars with exciting goodies for the firework tombola. It was great seeing everyone in their brightly coloured clothes too.

Our bake sale was a huge success. Thank you once again to everyone that baked, helped set up, sell and of course spent money on all of the yummy treats.

Lots has also been happening behind the scenes here at the WDPTA we held the 2022 AGM which was a huge success. Thank you to everyone who joined us. There was also a video call later that week to discuss intentions for our 'Firework Extravaganza'. Plans are looking very exciting, we have lots to organise and everyone is busy making sure it's a night to remember.

Again thank you to everyone. We couldn't do it without you!

Our very successful  
bake sale managed  
to raise an amazing

£137.20

## What's the word on the street?

Amphitheatre, AGM and more...

The more eagle eyed of you may have noticed the Amphitheatre is fully finished. There have been so many lovely comments and reactions to seeing it finally up and ready to use. The children have been putting on shows at lunch and break times already and we are organising a 'Grand Opening' at the 'Firework Extravaganza' this month.

We must also thank Year 6 for doing a fabulous job selling the left-over cakes at break time the day after our bake sale. We may have some very savvy entrepreneurs in our midst!

At the WDPTA AGM our longstanding secretary Carla Abbott stepped down. The whole committee would like to say a huge thank you to Carla and all the hours she has put in since joining our efforts within the WDPTA. The role has now been filled by Claire Barnett and we look forward to working with her and wish her all the best in the new role.

A new position has also been appointed on the committee 'Parent Reflection Officer'. This role has been taken on by Lindsey Kelly and her key role within the WDPTA is to gain feedback and ideas then report them back to the committee. We would like to give Lindsey a warm welcome and hope you can all help her in making our WDPTA work for children and parents alike.

The WDPTA prides its self on being an open forum. If you have any ideas, concerns, queries or offers of help please feel free to contact us -
