Latest news and bulletin updates

## December News

### The latest updates

We hit the ground running in December and kicked off with a Christmas Tuck shop. Thank you to everyone that come over to see us for some sweet treats. A lot of people thought it was great that we had our card machine with us... you spoke and we listened!

Next stop was handing out the tea towels and coasters that you had all ordered. We were really impressed with how they turned out and we definitely think we have some budding Picassos at the school!

Then we powered through with the Wybunbury Delves Christmas Festival Day! All of the children looked fabulous in their christmas jumpers, even the teachers got involved! The day started with Santas Grotto visits, then children enjoyed snacks and drinks while watching the online panto. Turkey and potatoes flew out of the kitchen at lunchtime and the children were in full christmas flow!

After school we held our Amphitheatre Carols, this was so lovely and everyone had a good old sing song and some great traditional family time. It was a lovely way to round off the year and the children all sang beautifully.

**THANK YOU ALL!**

Christmas Tuck shop was fab, cold... but fab!

## Stay in the Loop

### Keep up to date with the latest news

This year has seen some HUGE events. We have held the Christmas Markets, Picnic and Pimm's and Firework Extravaganza and Chocolate Bingo to name just a few. We hope we have helped the children create lots of memories from Wybunbury Delves 200-year anniversary.

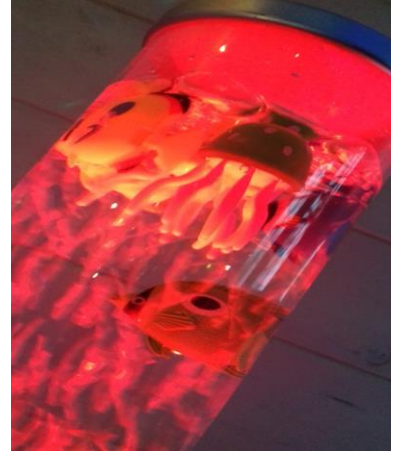

The Amphitheatre was built and has been a huge hit with the children, they have loved putting on shows at break times and have another place to sit and have a chat. Another addition has been the amazing Sensory Shed. The children have loved having the space available to them and fingers crossed it will become a much-loved part of the school.

## EGM

January 12<sup>th</sup> will see the PTA hold its EGM. At this meeting we will be deciding who takes on the roles for the committee for the rest of the school year. If you are interested in joining the team its simple to get involved. Come along to the meeting, tell everyone why you would like the role and what you think you could bring to it. If you can't make it to the meeting pop your words in an email to us and we will read it out at the meeting for you. Job roles have been added to our web page, have a read, and see where you might like to fit in. Every role will be available and sharing roles with people will also be an option. The PTA needs at least 4 active committee members to run successfully, help us carry on the great work and provide experiences for all our children.

The Sensory Shed is looking amazing. Mrs Welch our wonderful SENCO is really pleased with how it is going to help the children. She said, 'I could be in there all day, its beautiful!'.

## Next meeting

Let's get involved  
School Hall

Thursday 12<sup>th</sup> January 4:00pm

We would love to see as many people joining us as possible for our EGM. If you would like to join us simply turn up. If you have any questions, please email Claire or Jenny, and let them know. This meeting will include voting people into their new roles on the PTA, also amending and clarifying some of the PTA constitution.

## Decembers Total

After totting up, between Santas grotto, tea towel sales, tuck shops and Amphitheatre Carols we made a staggering

We hope everyone loved their tea towels as much as the children enjoyed drawing them.

# Mr Dales Monday Marathon Madness!

Get your stretches done, get your running shoes polished... sponsorship forms will be coming home in the next few weeks. We are delighted to be helping Mr Dale with his fundraising efforts for charity. The children will be able to take part in a relay race around the daily mile track and see just how many laps they can rack up. We wonder if between them they can run the length of the London Marathon?

## Easy-peasy!

Raising money for our school has never been easier with Easy Fundraising.

Brands pay Easy Fundraising a commission because when you start your shop from the Easy Fundraising website or app, they can see Easy Fundraising sent you to them. If you make a purchase, a commission is generated, and Easy Fundraising turns that into a donation for our school. Bingo!

## Did you know...?

Your nose can detect a TRILLION different smells. ONE-QUARTER of your bones are in your feet. Human teeth are as strong as SHARK TEETH. Your tongue is the strongest muscle in your body, and you cannot sneeze with your eyes open!

## Amphitheatre Carols

The cold may have got the better of the music speaker, but we didn't let that stop us!
