

PURPOSE

2) In attendance

Mrs Burns, Sophie Castelain-Mazingarbe, Carla Abbott, Lindsey Kelly and Jenny Sykes

3) Constitution

Carla has made the changes to the constitution, as discussed at the EGM. Before it goes out, she asked the committee to inform her of any other changes by Friday.

4) Website updates

Claire Barnett used to update the school website and calendar with PTA information. Mrs Burns has said she will ask Mrs Chesters if she could train two Committee Members up to do the job. Lindsey Kelly and Jenny Sykes said they are happy to volunteer themselves.

5) Mr Dale's marathon event

Jenny Sykes updated the Committee about Mr Dale's event, having spoken to him recently. The PTA agreed to support Mr Dale with the sponsored event 'Mr Dale's Marathon Madness', to raise money for Team Lewis and PTA funds, with the PTA's next major purchase being some additional sports equipment. It was discussed how Mr Dale is trying to raise the profile of sports at the school, and the items on his wish list will certainly help with that. The PTA agreed to help Mr Dale on the day and with the administrative tasks in the run up to the event. Mrs Burns said she will speak to Mr Dale about the activities for the event, so that the PTA can create adverts and drum up support for volunteers.

6) A.O.B

- a) Sophie has been thinking about the summer and putting on an event. She suggested an outdoor cinema evening. The issue of staffing was mentioned, especially if darkness is needed, as it runs the risk of being a very late night. Sophie said that if the angle of the screen is right, it is possible to show films before darkness falls. All agreed that this would be a lovely event for all the family. Sophie will look into prices and come to the next meeting with information.
- b) Lindsey has a list of jobs to complete. There are some traditional fairground style games to be finished. Mrs Ward has a shed in the Reception garden, which she is hoping to repurpose. It has been painted a little, but needs completing. Once the weather clears up, Lindsey will go in and paint it. Jenny Sykes has offered to help her.
- c) Lindsey has a voucher which has been donated to the PTA. The voucher expires soon, so Carla suggested that she goes to the shop and buys something with it, and we then use the item as a prize in the future. All agreed.

7) Next Meeting

Wednesday 15th February 4:30pm Wybunbury School Hall. Purpose: to discuss Mr Dale's event and find out about pricing for an outdoor cinema.

8) Thank you
