Instrumental lessons in school!

Learning a musical instrument has been shown to have positive effects on a child's all round development as well as being the route to what, for many, is a life-changing, life-long skill and interest. **Music for Life** is a not-for-profit music education service rated “Outstanding” by two national reports which provides music tuition to over 3,000 young people a week across Cheshire, Wirral and North Staffordshire.

Your child has recently expressed an interest in learning a musical instrument during their music assembly. Lessons are available on a range of instruments in school, arranged by Music for Life. To find out more, visit www.musicforlife.org.uk where you can book a course.
