

Dear All,

Advent has begun and Christmas is on it's way! School is already looking festive as our trees have gone up this week.

These next two weeks get very busy in school and for some events parents/carers are invited and sometimes booking is required!

We have to ensure everyone's safety which is why there are booking limits to some events. Bookings are via schoolinterviews.co.uk Tickets will not be issued but we will check off names against the bookings on the door – we cannot admit additional people who are not on the booking list. Please do not arrive before doors open.

Photography – you are welcome to take photographs of your own child. We ask that photographs taken at school events are not posted on the internet or social media – even on heavily protected accounts; some parents/carers do not want their child to be online (Plus some staff and other adults at the event will not want to be online either).

Mobile phones must be on silent during all events please.

PE days will be as normal over these last two weeks as will Forest School sessions on a Wednesday.

We break up for the Christmas break at the end of Friday 16th December 2022 and we return to school on Wednesday 4th January 2023. Please do not assume our holiday dates match those of other schools – we have followed Cheshire East advertised dates.

Merry Christmas to you all!
